

# EUROPEAN REAL ESTATE SUMMIT

**Andrew Sangster**

Managing Director

*Zero Two Zero*

Andrew Sangster launched Hotel Analyst almost 20 years ago and it has grown into a publishing business that now encompasses a paid subscription service for hotel investors, a reports division and events.

More information on these services can be found at [www.hotelanalyst.co.uk](http://www.hotelanalyst.co.uk) and see [www.op-re.com](http://www.op-re.com) for the latest event for investors across the operational real estate sector, the Operational Real Estate Festival.

Andrew has been a journalist for his entire career, starting out on trade press titles before joining the national press and a brief spell at the BBC. He launched his own business focused on providing high level information on a subscription basis after despairing at the quality of what the old business model of selling advertising space was producing.

Andrew holds a BSc in economics and a MA in journalism. He lives in Cambridge with his wife and three children.
