

# EUROPEAN REAL ESTATE SUMMIT

**Jack Wardale**  
Director  
*Undivided Ventures*

Jack is an Associate Investor at Undivided Ventures, a VC investing in startups solving complex sustainability challenges for the built environment. As a Chartered Building Services Engineer, he has worked in sustainability and construction engineering roles for the last 14 years. His experience includes stints at global engineering consulting firms and as founder of EcoBuild Advisory - a sustainability consulting practice that specialise in decarbonisation of building assets.
