Widely recognized as one of the most creative and respected executives in the real estate industry, Mary Ann Tighe serves as CEO of the New York Tri-State Region for CBRE, a position she has held since 2002. During a career spanning over three decades, Ms. Tighe has conceived, structured and negotiated virtually every form of real estate transaction including ground leases, air rights acquisitions and dispositions, net and gross leases, government incentive packages, and a range of equity transfers from partnership and condominium interests through fee simple sales. From the revitalization of Times Square and the rebirth of Downtown, to the westward expansion of Midtown's central business district, she has been a leading force in the transformation of New York City's skyline.

A nine-time winner of REBNY's Deal of the Year Award for ingenious brokerage – a record number of wins since the award was created in 1944 – Ms. Tighe served as Chairman of REBNY from 2010 through 2013, the first woman to hold this position in REBNY's 124-year history. She was also the first woman to receive the prestigious Urban Leadership Award by the NYU Schack Institute of Real Estate and the first woman to be honored at the annual AI Smith Gala.

In addition to her achievements in the area of real estate, Mary Ann Tighe also serves the New York community through her work with numerous nonprofit organizations, including serving as a Board Member for The Inner-City Scholarship Fund, a Vice Chairman for the Lung Cancer Research Foundation, Co-Chair of the Business Committee of The Metropolitan Museum of Art, a Trustee of St. Patrick's Cathedral and of the Archdiocese of New York.
