

Global Real Estate Summit 2022

Jonathan H. Pearce

Executive Vice President, Leasing & Development
Ivanhoe Cambridge Inc.

As part of the Investment & Innovation global hub, Jonathan Pearce counsels Ivanhoé Cambridge regional teams on all leasing and development activities to ensure alignment with the company's strategic objectives. Jonathan has 30 years of experience in office & industrial leasing and the sale of corporate investment assets throughout North America.

His responsibilities also include leasing for all owned (managed and non-managed) properties and developments in Canada and the Continental US, currently comprising more than 120 million square feet in multiple markets. Ivanhoé Cambridge currently has five office developments under construction or pre-development in Toronto, Dallas, Denver, Houston, Austin and Mexico City, and a variety of industrial projects under development North America. Jonathan also serves on the board of IDI Logistics, a leading US logistics investor and developer based in Atlanta, that is co-owned by Ivanhoé Cambridge.

Jonathan holds a BSc. (Hons) in Urban Land Economics and is a Professional Member of the Royal Institution of Chartered Surveyors.
