

Global Real Estate Summit 2022

Carly Tripp

Global Chief Investment Officer and Head of Real Estate Investments

Nuveen

Nuveen Real Estate is one of the world's leading investment managers with over \$125 billion in assets under management. Globally, she leads a team of 200+ investment professionals responsible for all transactional and asset management functions. Carly is also a member of the Global Executive Leadership team.

Prior to her current position, Carly held several leadership positions across the firm, including CIO of the Americas for Nuveen Real Estate, Global Head of Real Estate and Alternatives for TIAA's \$260 billion General Account, and Deputy Portfolio Manager on the TIAA Real Estate Account where she managed over \$13 billion in transaction activity. Carly began her career at LaSalle Investment Management where she was a member of the portfolio management team.

Carly received dual B.S. degrees in Finance and International Business from University of Maryland and a M.S. in Economics from the University of North Carolina.
