

EUROPEAN REAL ESTATE SUMMIT 2018

Martin Schellein

Head of Investment Management Europe
Union Investment

Union Investment is a leading international property investment company specializing in open-ended real estate funds for private and institutional investors and has assets under management of some € 35 billion in 20 real estate funds. The current portfolio comprises 365 properties and projects throughout Europe, the Americas and Asia/Pacific. Martin Schellein has a background as an architect and a postgraduate degree in real estate. He joined Union Investment in 2009 and was responsible for investments and property sales in France until 2012. From 2013 to the beginning of 2017 he was leading the Investment Management Europe II team covering the Continental European investment markets outside of the DACH region. Since March 2017 he is Head of the Investment Management Europe department covering all European investment markets.
