

# EUROPEAN REAL ESTATE SUMMIT 2018

## Lars Reubekeul

Co-Head of Real Estate, Germany

*DLA Piper*

Lars Reubekeul has a wealth of knowledge and expertise in the German and pan European real estate markets, which helps his clients to create investment opportunities and strategic property portfolios.

Along with his highly experienced, multilingual team, Lars advises on national and cross-border real estate with a special focus on land law as well as commercial tenancy law.

Lars has a pragmatic, solution-oriented approach and sees relationships and trust as the key drivers of his practice. This enables his clients to steer successfully through the challenges of the often complex real estate markets in Europe.

Lars' clients include institutional investors, funds, private equity houses, asset management platforms, corporates and family offices. He has a specialist market knowledge in all real estate asset classes, but focusing on retail and office as well as on data centers. He has been a specialized lawyer in construction and architectural law of the Frankfurt bar association since 2009.

Lars heads jointly with Fabian Mühlen the German Real Estate group of DLA Piper.
