

EUROPEAN REAL ESTATE SUMMIT 2018

Lucia Silva

Head of Sustainability and Social Responsibility
Generali group

Lucia is the Head of Sustainability and Social Responsibility at Generali Group, since September 2015. Her responsibilities are the definition along with the implementation of the Group Sustainability strategy and policies.

Lucia is also Board Member of Fondazione Generali – The Human Safety Net, the Group initiative whose aim is to unlock the potential of people in need.

Prior to joining Generali, Lucia was head of the Europe-Middle East-Africa Corporate Responsibility (CR) network at KPMG, managing and coordinating around 100 countries on sustainability topics. Concurrently she held direct responsibility for CR in KPMG Italy.

From 2000 to 2008, Lucia was a consultant on Sustainability in KPMG, supporting a large number of clients in defining and developing their Sustainability strategy. During her career tenure, she has worked with high profile clients within the industries of telecommunications, oil and gas, chemical & pharmaceutical and financial.

Lucia holds a Master degree in 'Governance, Business Ethics and Risk Management' from Libero Istituto Universitario Carlo Cattaneo University along with a degree in Philosophy from Statale di Milano University.
