

# EUROPEAN REAL ESTATE SUMMIT 2018

**Cristina Reina**  
CFO  
*Arcano*

Cristina joined Arcano Partners as CFO of the real estate Asset Management division. Prior to that, she worked at the German Real Estate lender Aareal Bank for more than 9 years originating, structuring and executing real estate financings in Spain and Portugal.

In the last 30 months she has coordinated as CFO the investment activities of Arcano's first real estate value added fund totalling over €150 million investment value (credit, residential land for development, hospitality assets, office refurbishment and development, etc.) and is now focused on the investment of a more than €200 million-equity vehicle also pursuing value added. Cristina counts with 15+ years' experience in diverse fields within the real estate investment and financing industry in an international environment and has been a Professor for the IE Business School during the last 7 years lecturing real estate investment and financial accounting courses in a number of international programs.

Cristina holds an EXMIF (IE), a Master in Real Estate Management (Universidad Europea), a MA in Law (Carlos III) and a M. Sc. in Business (Carlos III).
