

EUROPEAN REAL ESTATE SUMMIT 2019

Fionnuala Hogan
Managing Director
Goldacre

Fionnuala is an MD at Goldacre, a boutique investment house, where she leads on early stage tech investment with a focus on the Smart Built Environment. Fionnuala is also co-founder and Head of RElab, Goldacre's mentored programme supporting entrepreneurs to scale their businesses at an accelerated pace through collaboration with industry partners. Fionnuala's wide ranging background encompasses over 25 years' experience of investment, corporate advisory, entrepreneurship and financing across various sectors including real estate, technology and the creative industries. Previous senior roles span larger corporates and start-ups, including at Kleinwort Benson, KPMG, enba group and Hypo Real Estate. A passionate advocate of the power of arts and education to change lives, Fionnuala is currently a Governor of the Southbank Centre, a Trustee of East London Dance and was previously a Trustee of Tomorrow's Warriors.
