

# EUROPEAN REAL ESTATE SUMMIT 2018

## **Nehla Krir**

Global Head of Sustainability  
AXA

Nehla is currently Global Head of Sustainability at AXA Investment Managers - Real Assets. She is responsible for defining and implementing AXA IM – Real Assets’ sustainability strategy and raising the firm’s sustainability profile internationally. Among her responsibilities, Nehla is in charge of the Vision 2030 initiative, which mandates that 75 percent of AXA IM – Real Assets’ direct real estate AUM be certified with a sustainability label by 2030. She is also in charge of measuring and improving the ESG performance of the assets under management to create value for investors, partners and occupiers.

Nehla joined AXA IM – Real Assets in 2014 as Sustainability Manager, contributing to both French and global activities. Prior to this, Nehla held various positions at PwC, most notably as a Manager of Sustainable Business Solutions and as a financial auditor in real estate. Nehla has ten years of experience in the real estate industry.

Nehla holds a Master’s degree from ESTP Paris, a French civil engineering school. She is the Chair of the ULI European Sustainability Council.
