

# EUROPEAN REAL ESTATE SUMMIT 2019

**Alexander Tannenbaum**  
Managing Director  
*Credit Suisse Asset Management*

Alexander Tannenbaum has been the Managing Director of Credit Suisse Asset Management Immobilien Kapitalanlagegesellschaft mbH since February 1, 2019. He held a management position in the finance/accounting area in a previous stint with the company from 1998 to 2001. In his role as Managing Director, Alexander is responsible for product management, business development, and investor services. He is also the fund manager of the Credit Suisse ImmoTrend Europa real estate fund.

Alexander has more than 25 years of professional experience in management and executive positions, including around 20 years in the real estate business. From May 2011 to January 2019, he was the managing director of Universal Investment GmbH in Frankfurt am Main, where he built up the real estate (funds) area for institutional clients and integrated it into the existing company structure. In this role, Alexander was responsible for the operational implementation of international real estate investments, including structuring, amounting to over EUR 10 bn.

Prior to that, he held various management positions, including managing director at Aberdeen Property Investors Deutschland GmbH, and managing director and head of fund management at Commerz Real, Wiesbaden. Alexander studied at Goethe University Frankfurt and holds a degree in Business Administration.
