

EUROPEAN REAL ESTATE SUMMIT

Oliver Light
Real Estate Director
Carbon Intelligence

Oliver is the Director of Real Estate at Carbon Intelligence, now part of Accenture and is a member of the executive team. Oliver is focused on accelerating a zero-carbon economy for real assets and has helped implement exciting net-zero strategies over the past ten years. Decarbonisation programmes have included initiating a smart building programme that won over 15 awards in 24 months and supporting around GBP150B of real estate AUM.

Oliver sits on the AREF ESG committee and the IIGCC real estate working group and supports other BBP REEB, GRESB, and UK-GBC initiatives. Oliver's work on the Sustainable Disclosure Regulation and other critical industry issues led him to be nominated for the AREF outstanding contribution award in 2022.

Oliver is completing an executive MBA at Bayes (formerly CASS) and has a master's in environmental management.
