

EUROPEAN REAL ESTATE SUMMIT 2018

Bradford H. Dockser
Chief Executive Officer
Green Generation Solutions

Bradford H. Dockser is the Chief Executive Officer and Co-Founder of Green Generation Solutions, LLC, which engineers and implements comprehensive integrated energy efficiency solutions that lower operating costs while improving sustainability on behalf of a diverse set of clients worldwide.

During his more than two decades of real estate investing, Brad was a Principal with national real estate investment firm, MacFarlane Partners, overseeing activities of their mid-Atlantic business; Partner and Chief Operating Officer for Western Development Corporation, a leading retail and mixed-use property development firm in the DC area; and Founder and Managing Director for Starwood Capital Europe overseeing operations, direct investments, and operating joint ventures and financing activities throughout Europe. He earlier founded Starwood Capital Asia and was responsible for the firm's Asian operations.

Brad received an A.B. cum laude in Economics, as well as a Master of Business Administration, both from Harvard University. He serves as Co-Chair of the Urban Land Institute Washington Sustainability Initiative and Vice Chair of the ULI Redevelopment and Reuse Product Council. He is a member of the US Green Building Council and the International Society of Sustainability Professionals (ISSP). He is Chairman of ULI's Washington Sustainability Committee. Brad is a mentor for the Cleantech Open, the world's largest cleantech accelerator, as well as for MetaProp (NY) and Bethesda Green (MD). He also was Founding Director of the Greater Washington Exploratory Committee, DC's bid committee for the 2012 Summer Olympics.
