

EUROPEAN REAL ESTATE SUMMIT 2019

Martin Brühl

Member of the Managing Board, Chief Investment Officer
Union Investment Real Estate GmbH

In his role as Chief Investment Officer, Martin J. Brühl oversees all real estate transactions of Union Investment Real Estate worldwide. With assets under management totalling more than EUR 40 billion, Union Investment is a leading real estate investment manager providing a variety of investment solutions including non-listed retail and institutional open-ended funds, special funds and separate accounts.

Martin has more than 26 years of industry experience and has worked for groups like Arthur Andersen and Cushman & Wakefield. Trained in banking and equipped with a degree in real estate appraisal and finance of London's City University Business School, Martin is Past President of the Royal Institution of Chartered Surveyors (RICS) and current Chairman of the Association of Foreign Investors in Real Estate (AFIRE) whose members manage USD 3 trillion of real estate assets globally.
