

# EUROPEAN REAL ESTATE SUMMIT 2019

**Andrea Auteri**

Managing Partner and co-founder  
*Elevation Advisors LLP*

Andrea co-founded Elevation Advisors in 2017. Prior to Elevation, he set up and headed HCP, Inc's (the U.S. listed healthcare REIT) European office based in London.

Before this, Andrea was a senior member of Goldman Sachs' Leveraged Finance Group, based in London, where he spent 12 years providing capital to many of the firm's largest and most important healthcare relationships across the corporate and private equity world across Europe and MENA. During his time at Goldman Sachs, Andrea developed a broad range of skills in the field of financing, portfolio management and restructuring with a specific focus on healthcare financing. He holds an M.Sc., summa cum laude, from L. Bocconi University.

Elevation is the institutional gateway to healthcare real estate investing in the U.K.. Set up in 2017, Elevation has to date invested £200 million in care home real estate with a mission to invest over £1 billion of capital in the sector. Elevation focuses on establishing long term growth focused partnerships with high quality operators and providing capital by way of sale and leaseback and development financing.
