

EUROPEAN REAL ESTATE SUMMIT 2018

Jorge Duarte

Senior Director, Portfolio Manager
Barings Real Estate Advisers Europe

Jorge is responsible for devising and implementing the investment strategy on behalf of the Barings European Core Property Fund's investors. Prior to joining Barings Real Estate Advisers, Jorge was a Pan-European Fund Manager with AXA Real Estate where he was responsible for managing several funds and their activities including fund-raising, origination and sales. Jorge also had responsibility for developing and implementing the investment and asset management strategies.

Jorge has over 15 years of experience in the real estate sector across multiple jurisdictions and core property sectors, and has been directly involved in the acquisition, financing, management and sale of assets in fourteen European markets. He is a Chartered Alternative Investment Analyst (CAIA) and holds the Investment Management Certificate (IMC).
