

# ISRAEL REAL ESTATE SUMMIT 2019

**Eli Groner**  
Managing Director  
*Koch Disruptive Technologies*

Eli Groner is a Managing Director at Koch Disruptive Technologies, the technology investment arm of Koch Industries. Mr Groner was previously the Prime Minister's Director-General, a position he assumed after being confirmed by the Israeli Cabinet in June 2015 through September, 2018. The Director-General serves as the Prime Minister's interface with all government agencies, oversees Israel's federal bureaucracy, and is responsible for formulation and implementation of most domestic policy decisions.
