

# ISRAEL REAL ESTATE SUMMIT 2019

**Jonathan Landau**  
Chief Executive Officer  
*Fortis Property Group*

Strategic, smart and flexible, Fortis Property Group, under the leadership of Jonathan Landau, is known for identifying and optimizing underutilized assets. An accomplished national real estate investment, operating and development company, with Fortis' portfolio that encompasses the ownership, development and management of Class A office, parking and multi-family residential condominiums and rentals, and industrial properties in key markets including New York, Connecticut, Boston, Dallas and Austin.

Mr. Landau is a founding member and the Chief Executive Officer of Fortis. He is responsible for sourcing and negotiating real estate transactions and overseeing Fortis' myriad operating, development and leasing activities.

As Fortis' CEO, Mr. Landau has been successful in developing important real estate opportunities based on the significant real estate relationships and network which he first generated while practicing law and later expanded at Fortis. Signature Fortis achievements include developing the first luxury condominium tower in New York's Seaport District and securing the most desirable redevelopment opportunity in Cobble Hill, Brooklyn creating River Park, a new multi-block place-making residential destination.

Prior to joining Fortis, Mr. Landau practiced corporate / transactional and tax law with DLA Piper LLP for six years, primarily advising real estate companies on acquisitions, dispositions, syndications, joint ventures, entity-level investments and tax-structured transactions. Mr. Landau holds a JD from the University of Maryland.
