

ISRAEL REAL ESTATE SUMMIT 2019

Doron Cohen
CEO
Covery

Doron is the CEO & Co-Founder of Covery, where he helps creating the world's largest network of real estate investment GPs and LPs, by digitizing fundraising, investor reporting, preferred distributions and reinvestments. Covery processes over \$300M / year in transactions, has a team of 30 and is backed by Fintech and PropTech leaders like SGVC and Silvertch Ventures.

Before Covery, Doron co-founded Leverage, a software powerhouse providing cutting edge trading solutions which are the driving force of over 120 FX & CFD globally spread brokerages. As Co-CEO (and later Chairman) at Leverage - he grew the company to a 120 people team across 5 countries.

Doron is a mentor at the FinTech focused Accelerator Frankfurt, and has a Management & Computer Science Degree from the Open University of Israel.
