

ISRAEL REAL ESTATE SUMMIT 2023

Gabi Stein

Managing Director, Head of EMEA and APAC Real Assets Specialists, Global Client Group
Nuveen

Gabi is Head of EMEA and APAC Real Assets Specialists in Nuveen's Global Client Group and is responsible for capital raising efforts for the firm's Real Assets platform, incorporating real estate, infrastructure, natural capital and commodities. She and her team are focused on developing and enhancing client and consultant relationships across the real assets sector, working closely alongside Nuveen's broader sales team.

Prior to joining the firm in 2019, Gabi worked at Tishman Speyer, responsible for client relationships and capital raising activities across EMEA. Before joining Tishman Speyer, she was director of institutional business with Henderson Global Investors and worked at Jones Lang Wootton and LaSalle Investment Management.

Gabi graduated with an M.A. in Modern Languages from Oxford University.
