

DLA PIPER ITALY REAL ESTATE SUMMIT

Fabio Tedeschi

Head of Leasing Italy & Switzerland
IKEA Centres

Fabio Tedeschi is in charge of the Leasing department of Ikea for Italy and Switzerland and thus responsible for the selection, coordination and implementation of new projects, development of existing assets.

Fabio has over 15 years experience in the Retail Real Estate Business, through the commercialization of several shopping centres, for both domestic and international Landlords, attending each phase of the development process. More than ten years consultancy background working for the biggest international agencies, Cushman&Wakefield and Savills, made him develop skills in the portfolio valuation, business planning, and Retail Real Estate market knowledge.

Fabio holds an Economics Degree from Bocconi.
