

DLA PIPER ITALY REAL ESTATE SUMMIT

Fabiano Alberti

IGT Business Management Senior Director
The Boston Consulting Group

Fabiano Alberti is married with three children. After multidisciplinary experiences in Unilever, BIC, and Gualapack, he joined BCG where he has been working since 2008 as IGT Business Management Senior Director. He is responsible for all the staff and the Operations department for Italy, Greece and Turkey.

He has been in charge of managing the new office refurbishments across the three countries, starting from the election of a new location to the implementation of new technologies, from the evaluation of space allocation to the development of cutting.-edge smart working solutions.

Today BCG Italy is located in Via Foscolo 1, a 6.200 sqm new fascinating building, owned by Generali, which hosts intercultural people working on 6 floors, and includes multifunctional terraces and a beautiful plenary room for events and meetings.
