

DLA PIPER ITALIAN REAL ESTATE SUMMIT

Sabina Reeves

Global Head of Real Assets Research, Global Chief Economist
CBRE Investment Management

 [sabina-reeves-0a2b13a](#)

Sabina Reeves is Global Head of Real Assets Research and Global Chief Economist for CBRE Investment Management (formerly CBRE Global Investors) with full operational responsibility for the firm's strategy and research team and a specific role in selecting the economic scenarios and macro risk assessments that power the firm's real estate forecasts. Ms. Reeves is a member of the firm's Executive Committee, Global Investment Committee, and European and Global Leadership Teams.

Previously, Ms. Reeves served as Head of Research for the firm's EMEA region and the global quantitative team.

Ms. Reeves joined the industry in 2001 and started working for CBRE Investment Management (formerly CBRE Global Investors) in 2008. Ms. Reeves was previously Chief Economist at IPD. Prior to IPD, she worked for Capital Economics, where she developed their UK residential and commercial property market analysis and forecasting service.

Ms. Reeves studied economics at Lincoln College, Oxford University and is a member of the Society of Business Economists, the Society of Property Researchers and the Investment Property Forum. She is a Fellow of the Royal Institute of Chartered Surveyors.
