

# DLA PIPER ITALIAN REAL ESTATE SUMMIT

**Ekaterina Avdonina**

Leadership

*Mirastar platform*

Ekaterina is responsible for the overall leadership of the Mirastar platform. She is a recognised Pan-European industry leader and regular contributor to panels and articles in the logistics sector.

Ekaterina previously co-founded Delin Properties in 2011, first as Head of Investments and subsequently as MD, where she repositioned the business as a fully integrated Pan-European logistics development and asset management platform. Third party investment was secured through 3 separate mandates, enabling the development pipeline and assets under management to increase from EUR400m to over EUR1.3bn in less than 3 years. Before that, she worked in ING Real Estate's lending team in the Netherlands and with GVA in Moscow.
