

MIDDLE EAST REAL ESTATE SUMMIT 2018

Cynthia Corby

Partner - Audit & Assurance

Deloitte

Cynthia is an audit partner in Deloitte's Dubai office with over 25 years of experience in the profession. Prior to joining Deloitte Dubai in January 2006, Cynthia was a partner at Baker Tilly, UK, where she was the partner in charge of the audit department and prior to that she was with Deloitte in South Africa for 10 years.

Cynthia has worked with businesses ranging from quoted companies to large and small owner-managed entities in the Middle East, UK and South Africa controlling overall service delivery. She has experience in advising on corporate transactions, including acquisition due diligence and group re-organisations.

Cynthia is the Middle East Construction Industry Leader for Deloitte; as such Cynthia chairs industry conferences and writes articles on industry issues. Cynthia is an author and founder of the GCC Powers of Construction Publication issued by Deloitte Middle East, which includes expert views on opportunities and facts in the region. Her current portfolio of clients includes all the major construction companies audited in the UAE including Wade Adams, Dubai Contracting Company, Alec Construction as well as a number of international referral assignments including Habtoor Leighton Group, and Murray & Roberts

Cynthia is also the Director of Operations for Audit in the Middle East implementing a large scale transformation programme. With her keen interest in people and the development of talent within the Firm she also leads the UAE Audit division's HR department which looks after over 500 people across the UAE and Chairs the ACCA Women in Finance Forum for the UAE.
