

MIDDLE EAST REAL ESTATE SUMMIT 2018

Mustafa Kheriba

Chief Operating Officer
Abu Dhabi Financial Group

Mustafa Kheriba is the Chief Operating Officer of ADFG, and Executive Director of the Company's Investment Manager, ADCM Ltd. Mustafa has extensive experience and an inherent understanding of the UK real estate market and pioneer emerging markets such as the GCC, Eastern Europe, and Iraq.

Mustafa manages the day-to-day operations, business development and control aspects of ADFG and its subsidiary companies. He also oversees deal origination, fund raising activities and directly manages key investments for the company. He also currently serves as Executive Director of Integrated Alternative Finance, Spadille Ltd., Integrated Capital, Northacre Plc, Reem Finance, Integrated Securities and Injaz Eastern European Property Development Company, in addition to being Non-Executive Director at Qannas Investments Limited. Mustafa is also currently a board member and Managing Director of Gulf Finance Company in the UAE and KSA.

Mustafa previously held senior posts in financial services and investment companies in the GCC, USA and Canada. Prior to joining ADFG, he was Vice President of Operations & Portfolio Management at Brainnox Investment Management, an in-house private equity division of a German conglomerate based in Dubai, managing the group's investments in Eastern Europe and MENA. Mustafa has been named among the top 50 MENA Fund Managers in the 2015 and in 2016 annual survey conducted by MENA FM Magazine. Mustafa holds a BA from the University of Toronto, and an MBA from Ohio Dominican University with Magna Cum Laude honors.
