

MIDDLE EAST REAL ESTATE SUMMIT 2018

Gary Wells

Managing Director
Murray & Roberts

Gary currently leads the Murray & Roberts business in the Middle East. An engineer first and foremost, Gary has performed a spectrum of roles in the built environment. Gary is a strategic thinker and a team player who has held various corporate and mega project board and committee positions around the world. Previously Gary was Managing Director of Laing O'Rourke in the UK, CEO of Al Naboodah Construction Group and Managing Director of Murray & Roberts Projects in South Africa.

A Civil Engineering Graduate of Heriot Watt University, Gary trained at Costain Group where he spent 15 years carrying out a variety of strategic, operations and project delivery roles rising to position of Director responsible for the Middle East business. Gary is a Chartered Engineer and a Member of the Institution of Civil Engineers.
