

MIDDLE EAST REAL ESTATE SUMMIT 2018

Mohamed Bardastani

Senior Economist (Middle East)

Oxford Economics Middle East DMCC

As a Senior Middle East Economist at Oxford Economics, Mohamed is responsible for forecasting the macroeconomic outlook for several Middle Eastern economies with specific focus on the GCC.

Mohamed joined the Oxford Economics team after spending three years at the Central Bank of Bahrain as an Economist, conducting economic research and analysing macroeconomic trends at the local, regional, and global level.
